Common Attachments

For Corded System

Drilling Attachment
Part No : LK-10020001

Reaming (AO Synthes Type)
Part No : LK-10020002

Sagittal Saw
Part No : LK-10020004

Quick Coupling
Part No : LK-10020007

Reaming (Hudson Type)
Part No : LK-10020003

Wire Driver
Part no. 1) LK-10020005 (0.8 to 2 mm)
2) LK-10020006 (2 to 4 mm)

- Handy & easy to use
- Portable
- Low maintenance cost
- Pan India Service Support

Accessories like sagittal Saw Blades, Reamers, Drill Bits, could be requested extra.
